SALEM, May 4.—The Shakespearean entertainment given by the high school pupils was largely attended Tuesday night. The auditorium of

We note some of the best rendered parts and characters as Waldo VanHorn as Lancelotto; Hallie VanHorn as Lady Macbeth; Floyd VanHorn as Macbeth; Mary Broadwater as Jessica, and the others performed with merit. Claude Pepper and C. A. Schutte are at Wheeling, as Ten Mile district delegates to the Republican state convention.

Garlick and Rollins' new auto garage in the east end is being rapidly erected. It is of concrete block construction and of ample dimensions and will fill a great need for auto storage.

The "Trickey Five" members of

the sophomore class of the high school gave a social to the other members of the class at the residence of J. W. Carpenter Wednesday night. The entire class was present. Games were played and light refreshments were served.

Why Dandruff Causes Baldness

Some Facts That all Men and Women Should Learn Before It is Too Late.

Get rid of dandruff if you have it and the sooner the better. Dandruff causes baldness by choking the pores of the scalp so that the hair roots do not obtain proper nourishment.

There is one delightful hair tonic so compounded that besides immediately ending itching scalp and quickly stopping hair from falling out, will remove every particle of dandruff after just a few applications.

Ask your druggist for a bottle of Parisian Sage a hair beautifier, tonic and scalp invigorator that as every druggist knows always produces results. Thousands of women use it because nothing else makes the hair so soft, abundant, radiant, beautiful and fascinating. Wells-Haymaker Co., always guarantee Parisian Sage. Advertisement.

SAVES DAUGHTER

Advice of Mother no Doubt Prevents Daughter's Untimely End.

Ready, Ky.—"I was not able to do anything for nearly six months," writes Mrs. Laura Bratcher, of this place, "and was down in bed for three months."

I cannot tell you how I suffered with my head, and with nervousness and womanly troubles.

Our family doctor told my husband he could not do me any good, and he had to give it up. We tried another doctor, but he did not help me.

At last, my mother advised me to take Cardui, the woman's tonic. I thought it was no use for I was nearly dead and nothing seemed to do me any good. But I took eleven bottles, and now I am able to do all of my work and my own washing.

I think Cardui is the best medicine in the world. My weight has increased, and I look the picture of health.

If you suffer from any of the ailments peculiar to women, get a bottle of Cardui today. Delay is dangerous. We know it will help you, for it has helped so many thousands of other weak women in the past 50 years.

PEACE

Preservers Are Marines and Clergymen Are Aiding in Recruiting Service.

SALT LAKE CITY, Utah, May 4.—The pastors of a number of orthodox churches throughout Utah are co-operating with the United States marine corps recruiting officers in this city in procuring recruits for the military-naval branch of Uncle Sam's fighting force.

The clergymen are of the opinion that the marine corps is a prime factor for peace in controlling the situations, which, if badly handled, might easily lead to war, and point to the corps' recent operations in Cuba.

Miss Coral Nay, who underwent a surgical operation for appendicitis at St. Mary's hospital, is home to her many friends. She is getting along nicely.

A Symbol of Health.

The Pythagorians of Ancient Greece ate simple food, practiced temperance and purity. As a badge they used the five pointed star which they regarded as a symbol of health. A red five pointed star appears on each package of Chamberlain's Tablets, and still fulfills its ancient mission as a symbol of health. If you are troubled with indigestion, biliousness or constipation, get a package of these tablets from your druggist. You will be surprised at the quick relief which they afford. Obtainable everywhere.—Advertisement.

The AEOLIAN VOCALION

A Phonograph—and Infinitely More

THINK of the Vocalion as a wonderful new musical instrument rather than as a phonograph merely. Such tone it has!—you would not believe the phonograph could have been so amazingly perfected, did you not hear this new marvel of tone-reproduction re-sounding voices and instruments with exact fidelity.

Every subtlety of each record is sought out and made to pulse forth in fascinating wonders of music-beauty.

And this sweet purity of tone is yours to control as you wish. The revolutionary feature—the Graduoia—grants you the privilege of singing and playing guided by the art of the world's foremost musicians.

You are welcome to come in and see and try the Vocalion, regardless of whether or not you are ready to purchase. Demonstrations throughout the day.
